The 9-hole division will begin play on May 4, 2023. Tee Times will be reserved for 9-hole league members starting at 9:30 on Thursdays. We will also be doing a shotgun start at 5:30 pm for players who wish to play in the evening. If these times don't work for you, you may play a league round any day of the week. The 9-hole league rate of \$20 is only applicable on weekdays. The \$20 rate is for league rounds only, once you have played your league round for the week, you will be charged the standard daily fee rate if you play again during that week.

In order to maximize your opportunity to get in your league rounds, please notify the pro shop that you are wanting to play a league round and that you'll be playing 9-holes. This is especially important on the days that we have golf outings. If we know you're just playing 9-holes and we know it's a league round, we should be able to accommodate you on a more consistent basis. We won't always be able to accommodate you, but we will when we can.

On the following days, there will be no 5:30 shotgun and players will have to play their rounds at a different time: May 11th and June 1st. We will shotgun at 5:45 on June 8th

The 9-hole Club Championship will be held on August 17th. Tee times for players will begin at 10:30 am.

This year, we will allow players to use their 2022 and 2023* winnings for the following:
